- (a) At the end of a Match, the relevant Team Official must sign the team sheet confirming that all details on the team sheet, including the attribution of Yellow Cards, Red Cards and/or Expulsions, are correct.
- (b) If the Team Official believes that a Participant has been mistakenly identified on the team sheet by a Match Official as having received a Yellow Card, Red Card and/or been Expelled, the Team Official must indicate same (with brief reasons) on the team sheet prior to signing it.
- (c) Notwithstanding anything to the contrary in these Regulations, unless a Team Official has complied with the requirement set out in section 7.3(b), a Participant cannot challenge a Suspension resulting from a Match Official Send-off/Expulsion Report on the basis of mistaken identity.
- (d) Provided section 7.3(b) has been complied with, if a Participant claims that he or she was mistakenly identified in a Match Official Send-off or Incident Report, he or she (or the Participant's

Club on the Participant's behalf) must notify the Judiciary/Disciplinary Committee by submitting the following:

iii. any other evidence which may support the claim for mistaken identity including but not limited to any video or photo evidence.

(e) If the Association does not receive properly completed written statements by the time specified in section 7.3(a)(i) or (ii), the Participant is deemed to have been responsible for the Offence and may, subject to the Judiciary Committee's consideration of the send-off/incident, be issued with a Notice of Suspension.

(f) After considering the evidence, the Judiciary Committee will decide whether the claim for mistaken identity should be rejected or upheld.

- (g) If the Judiciary Committee rejects a claim for mistaken identity, the original decision set out in the Notice of Suspension applies.
- (h) If the Judiciary Committee considers that a rejected claim for mistaken identity had no prospects of success and amounted to an abuse of process, it shall refer the matter to the Association who may charge the Participant and/or the Club for Misconduct pursuant to section 8.2 (Charges of Misconduct and Disrepute).
- (i) If the Judiciary Committee upholds the mistaken identity claim, a Notice of Suspension shall be issued to the appropriate identified Participant, who shall serve the Suspension immediately. The Notice of Suspension issued to the original Participant will be rescinded.
- (j) The decision made by the Judiciary Committee will be conveyed to the Club.
- (k) Participants should note that the time limits set out above are strict. If a participant fails to comply with these time limits, that Participant is deemed to have waived his or her right to challenge the matter under this section 7.3.

#### **7.4 Challenging a Notice of Suspension - Exceptional Circumstances**

- (a) This section 7.4 is intended to apply only in exceptional circumstances. It is envisaged that, in the vast majority of matters, any Suspension set out in a Notice of Suspension will be appropriate and will be applied. The provisions set out in this section are not intended to encourage or lead to the systematic or regular review of standard Suspensions and are reserved for exceptional cases only.
- (b) A Participant (or the Participant's Club on the Participant's behalf) may in very limited circumstances seek to limit the disciplinary consequences of a Suspension by demonstrating to the Judiciary Committee that the circumstances of an incident leading to a Suspension were exceptional, such that the Suspension that has been notified would be clearly and demonstrably excessive.
- (c) Exceptional circumstances means circumstances operating at the time of the Offence and relating to the commission of the Offence and not to the impact, which a sanction may have.

The following **may** constitute exceptional circumstances:

- i. a Participant may have an intellectual or physical disability;
- ii. a Participant has experienced a recent trauma within the family; and
- iii. any other personal circumstance that may have contributed towards a Participant's actions which lead to the Offence being committed.

The following **do not** constitute exceptional circumstances:

- i. the significance or importance to the Participant or his or her Club of the Match in which the Offence was committed;
  - ii. the significance or importance of any Match, Fixture or tournament in which the Participant will be ineligible to participate because of the imposition of a Suspension given within the range in the Table of Offences (Schedule 3);
  - iii. the point in the Match at which the Offence was committed;
  - iv. the conduct, including actions, words or gestures of any Participant during or related to the Match; and
  - v. any disciplinary decision taken or failure to take a disciplinary decision by a Match Official during the Match.
- (d) Any Participant bringing a challenge under this section may not challenge the Offence via mistaken identity under section 7.3.
  - (e) In considering a claim of this type, the Judiciary Committee is concerned with only the question of whether the Suspension should be altered in view of the circumstances of the case. The Judiciary

Committee is not to usurp the role of the Match Official and the correctness of any decision to issue a Red Card shall not be subject to any scrutiny by the Judiciary Committee. As stated in section 7.2(f), a Participant is not eligible to challenge a Suspension where the Judiciary Committee has issued the minimum Suspension.

- (f) If a Participant wishes to lodge a challenge to a Suspension based on exceptional circumstances under this section 7.4, the Participant must submit the following:

**WHAT:**

COMPULSORY: A signed written statement (**Prescribed Form 10**) by the Participant setting out the grounds upon which he or she believes the Suspension set out in the Notice of Suspension should not be applied; AND

OPTION 1: video or photo evidence; AND/OR

OPTION 2: signed written statements by other Members.

**WHEN:**

By 4pm on the next working day after the issuance of a Notice of Suspension by the Association.

**HOW:**

Email a signed **Prescribed Form 10** to [judiciary@footballcanterbury.com.au](mailto:judiciary@footballcanterbury.com.au)

- (g) If the Association does not receive a properly completed and signed written statement and any other evidence prescribed under section 7.4(f) by the time specified in section 7.4(f), the Participant is deemed to have accepted the Suspension and has waived his or her right to challenge the Suspension under this section 7.4.
- (h) The Judiciary Committee may in its absolute discretion request for further additional information from the Association or the Participant prior to making a decision.
- (i) After considering the evidence, the Judiciary Committee will decide whether the challenge is to be rejected or is successful.
- (j) A challenge will only be successful under this section 7.4 where it satisfies the Judiciary Committee that:
- i. the circumstances of the Suspension under review are exceptional; and
  - ii. as a result of the exceptional circumstances the Suspension would be clearly excessive.
- (k) If the Judiciary Committee considers that the rejected challenge had no prospect of success and amounts to an abuse of process, it shall refer the matter to the Association who may charge the Participant and/or the Participant's Club for Misconduct pursuant to section 8.2 (Charges of Misconduct and Disrepute).
- (l) If the Judiciary Committee upholds the challenge, it shall impose such Suspension, if any, as it deems to be appropriate taking into consideration the circumstances of the subject incident, which revised Suspension shall not be subject to any further challenge or appeal.
- (m) The decision made by the Judiciary Committee will be conveyed to the Club.
- (n) Participants should note that the time limits set out above are strict.

**7.5 Appealing a decision of the Judiciary Committee**

- (a) Subject to section 9.2 (Grounds of Appeal), the decision of the Judiciary Committee in relation to claims of mistaken identity in a Match Official Report (section 7.3) and exceptional circumstances (section 7.4) may be appealed to the Appeals Tribunal pursuant to section 9 (Appeals Tribunal).
- (b) Subject to section 9.2 (Grounds of Appeal), the decision of the Judiciary Committee in relation to severity may be appealed to the Appeals Tribunal pursuant to section 9 (Appeals Tribunal).

- (c) A Participant wishing to appeal a decision to the Appeals Tribunal must submit a Notice of Appeal of a decision of a JC (**Prescribed Form 11**) to [appeal@footballcanterbury.com.au](mailto:appeal@footballcanterbury.com.au) within two (2) working days of the issuance of the decision of the Judiciary Committee to the Club by the Association **and** pay the relevant Application Fee, as per Schedule 4
- (d) Unless there are exceptional circumstances (to be determined by the Executive), the Participant should note that the time limits set out above are strict. If the Association does not receive a Notice of Appeal of a decision of JC **and** an Application Fee by the time specified in section 7.5(b) then the Participant has waived his or her right to appeal the decision of the Judiciary Committee under this section 7.5.

## **8. DISCIPLINARY TRIBUNAL (DT)**

### **8.1 Jurisdiction**

- (a) The DT will be responsible for hearing and determining:
  - i. charges of Misconduct and Disrepute (section 8.2);
  - ii. Grievances between Members (section 8.3);

  - iv. any other matter referred by the JC to the DT (section 8.4).
- (b) Where applicable, the relevant Application Fees for matters set out in section 8.1(a) are set out in Schedule 4.

### **8.2 Charges of Misconduct and Disrepute**

- (a) The Board or the Executive may investigate any matter, which in its opinion is relevant to whether or not a charge of Misconduct or Disrepute ought to be laid. Such investigation may be initiated on the basis of a written report or complaint of a Member or on the basis of any other evidence, which in the opinion of the Association is credible.
- (b) Such investigation may be carried out by the Board, or the Executive as it sees fit and Members are required to cooperate fully with the Association in the conduct of that investigation within the timeframe specified in any correspondence issued by the Association. A Member consents that any information provided may be used as evidence in bringing a charge under this section 8.2.
- (c) At any time, the Board or the Executive may determine whether any charge of Misconduct or Disrepute is to be laid and in relation to such charge whether:
  - i. it is to be referred to the DT; or
